Usage sheet

Clear space, minimum size, and guardrails.

Clear space

Minimum size

Horizontal lockup: 120 px wide / 30 mm wide.
Below that, use the mark-only version.

Typography: one weight only; no italics, outline, shadow, gradient, or tracking gimmicks.

Do not

Do not redraw, recolor, rotate, or stylize the approved mark.
Do not add a cross, heartbeat line, stethoscope, drop, or leaf.
Do not place the wordmark inside the kidney negative space.
Do not skew the wordmark to mimic the calligraphic mark.
